"Gunner"- 15 yr old registered APHA gelding, he is a solid, well built, good looking boy. He stands easily over 16HH. He is a fun horse, one you can hop on and do games; yet, turn around and drops his head to do a pleasure class. He is more of a western riding type horse. Gunner is broke, he is a boy who is broke to do more than what his rider can work with. He has leg cues and tricks up his sleeve that we haven't mastered yet, but if a rider is willing to find these, I bet a hidden treasure is what your going to find. He just needs a job, because he sure knows how to do it. My daughter just figured out how to get him to do a half-pass, and he looked amazing. He stands great for the farrier, loads in the trailer, and easy to catch in the pasture. He does have a bad habit (he can be a little cinchy and kick out with his back foot). He has a quarter crack in the back-rear hoof, farrier maintenance is needed. The goats ate his tail, darn goats. I have nothing bad to say about the guy, he does require a rider who will get him moving forward.

Daisy is a pretty young 15.0 hand tall mare that is grey with lots of dun factor. She has a stunning dark dorsal stripe, handlebar markings over withers, and tiger striping to legs. Daisy is halter broke. Daisy is proven foundation ranch horse bred and has a solid build and foot and bone. She is soggy mare with width and substance to her. She sells sound to ride and breed. Daisy is exposed back for 2019. She will have a foal by 6666's raised stud PADDYS PAY DAY an own son of PADDYS IRISH WHISKEY and out of an own daughter of PREFERRED PAY by DASH FOR CASH. This is a nice mixture of running/cow lines crossed on a foundation mare. Resulting foal should mature to 15.1 and be athletic with speed. A prime barrel racing or head horse project.
